## **Sons of Norway Waives Dues for Military Personnel**

December 31<sup>st</sup>, 2006--With many military families experiencing financial hardships due to family members being deployed overseas, Sons of Norway is announcing the launch of a new program that waives all Sons of Norway membership dues for military personnel who are deployed in active combat zones.

“Sons of Norway supports our service people and we know the financial difficulties that many military personnel are experiencing. As a strong supporter of the men and women of the armed forces who are working hard to protect our country we thought a dues waiver was the right thing to do” said Sons of Norway International President Ted Fosberg.

To receive the waiver of dues all a member has to do is contact their District President and tell them which combat zone the member is actively serving in and dues will be waived.
