## **Amanda Lund Awarded Sons of Norway's Nancy Lorraine Jensen Scholarship**

**Minneapolis, June 26, 2007**—Amanda Lund of Hamilton, MA was awarded a Sons of Norway's Nancy Lorraine Jensen Scholarship, given to Sons of Norway members and their families.

Lund is currently a physics major at the University of Massachusetts Amherst, and plans to study physics in grad school and pursue a career in physics. Two specific areas she is interested in are medical physics and geophysics, and she would love to find a career that would allow her to use physics to help the environment. Lund is also a member of Norumbega Lodge 3-506.

“The Sons of Norway Foundation has proudly awarded educational scholarships for over 40 years.” Said Sons of Norway Foundation Director Cindy Olson. “The Nancy Lorraine Jensen Memorial scholarships provides young women with the opportunity to pursue their scientific dreams in the fields of physics, chemistry or chemical, electrical or physical engineering. It is our aim to improve the communities we serve through education and we are proud to have Amanda Lund as one of our 2007 scholars.”

The Nancy Lorraine Jensen Memorial Scholarship Fund was established by Dr. and Mrs. Arthur S. Jensen in memory of their remarkable daughter. By age 35, when she died suddenly, Nancy had already distinguished herself as an outstanding chemical
