Our Mission
“We award scholarships and grants to promote the heritage and culture of Norway, and provide assistance to our members, lodges and their communities.”

Overview
The Nancy Lorraine Jensen Memorial Scholarship Fund was established by Dr. and Mrs. Arthur S. Jensen in memory of their remarkable daughter. By age 35, when she died suddenly, Nancy had already distinguished herself as an outstanding chemical engineer whose work resulted in important advances within the field of weather satellite photography. It is the wish of Dr. and Mrs. Jensen to encourage young women to enter the field of science and engineering by offering scholarships in Nancy’s memory.
