

2018 International Folk Art Competition & Exhibition

Greetings, Artists!

Sons of Norway is pleased to invite all members to participate in the 2018 International Folk Art Exhibition & Competition. All members are encouraged to display their skills at Sons of Norway's largest folk art event as part of the International Convention in **Bloomington, Minn. August 15-18.**

Members can choose to compete, exhibit or both, and everyone who enters will receive a certificate of participation. Members who choose to enter the competition could win a variety of awards including First, Second and Third place ribbons as well as the People's Choice award and the Best in Show award for the judges' favorite item.

This guide will take you step-by-step through all the rules and procedures for entering your work. **Because space is limited, pre-registration is the only way to guarantee that your item will be included in the event.** To pre-register, please submit all materials to Sons of Norway Headquarters by Friday, **July 27, 2018.**

Please note that it is not possible to send your items through the mail to the convention site. If you cannot bring your item yourself, please contact a delegate from your district and ask them to bring your items to the convention. To find out who your district delegates are, contact your district president.
