Sons of Norway Foundation **2009 Annual Report**

Building on Our History

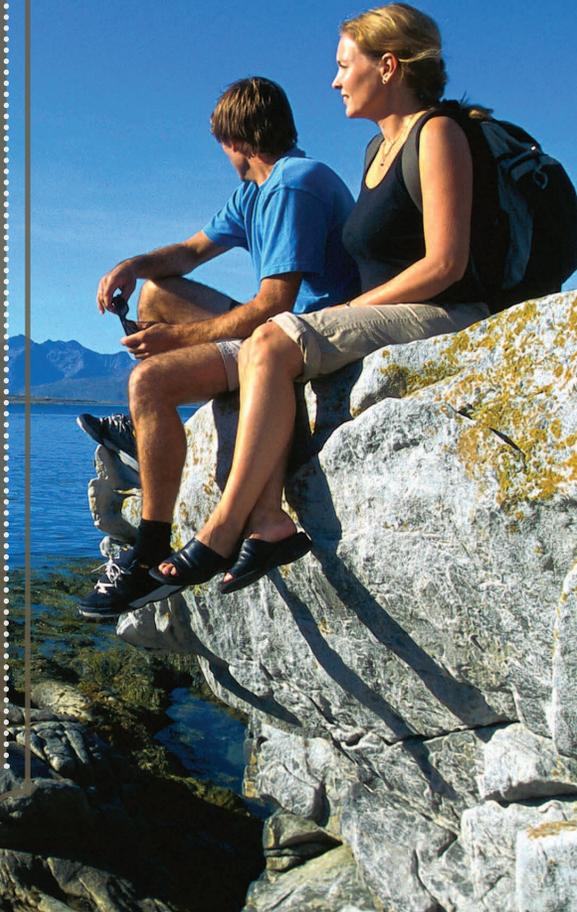

The Sons of Norway Foundation was formed in 1966 primarily for Norwegian literary and scientific research. From its humble beginnings we have continually added opportunities for our Sons of Norway members, lodges and their communities.

Beginning in 1984 with the Astrid Cates scholarship, and expanding into today's five separate scholarship categories, we are allowing the next generation the ability to reach for their educational dreams. Norwegian-Americans have always had a high regard for education as a means for success.

Since 1990 we have added four grant categories designed to promote our unique Norwegian heritage and culture to wider audiences. Lodges and communities across the country are showcasing Norwegian arts in the form of theatre offerings, musical performances, rosemaling, genealogy and folk dancing workshops and participation in community heritage festivals because of these grants.

The third focus of our Foundation is our Humanitarian Fund. It was formed in 1997 with monies donated from the Norwegian government to assist victims of the Red River Flood. It has grown since then and stands ready to provide assistance to our members during times of natural disaster. We have provided grants for Sons of Norway families who have been victims of hurricanes, floods and tornadoes, as well as for 9/11, Hurricane Katrina, the Indonesian Tsunami and the 35W Bridge Collapse.

What began in 1966 with small stipends has grown into awarding over \$100,000 in 2009 alone. Since 1984 we have awarded over \$1,000,000 in scholarships and grants.

From the Director –

Norway is a country of beautiful bridges with its many deep valleys, fjords, waterfalls and streams. The Sons of Norway Foundation acts as a bridge builder. We provide a link to our past, showcasing the many folk arts and customs through our grants. We span generations when we share our history. We connect students to the Norway of today through cross-cultural experiences in our scholarships. Everything we do speaks to providing a pathway to share our unique Norwegian heritage and culture with others.

You are invited to help us build these many bridges. Learn how your donations are making a difference in the lives of our grant and scholarship recipients, in their own words, throughout this report.

Please visit the Foundation section of the Sons of Norway website at www.sonsofnorway.com. Here you may view grant and scholarship applications; read about our recipients; learn about donation options and other pertinent information about your Sons of Norway Foundation.

Hilsen,

Cindy Olson

Helping Hands to Children 2009 Barneløpet at Carey Lake

Midnatsolen Lodge 1-058, Hibbing Minnesota

“We had a great time with the kids as they crossed the finish line wearing their wonderful smiles. It made all our effort worth while!

Without the support of the Sons of Norway Foundation we would not have been able to prepare the course or pay for the medals and bibs. Knowing that the Sons of Norway Foundation is supporting our lodge and community has made gaining the support of local volunteers and Parks and Recreation possible. Our lodge and Sons of Norway will be recognized as the fraternal organization that truly cares about our traditions and community.”

Prairie Fjord Lodge 4-649
Cando, ND

“We worked in the classroom with twenty-eight 2nd and 3rd graders and thirty-nine 5th and 6th graders at the North Star Public School in Cando, ND. All of the children enjoyed learning Norwegian language, numbers and the names of animals. There was also hands-on time with viking tools and artifacts. The children even got to set up a “Viking Tent”.

Thank you for making it possible for us to pass on our love of Norwegian culture and history to the next generation. We had so much fun!

Barb Hintz and Val Arrowsmith,
Prairie Fjord Lodge 4-069, Cando, ND

“We were pleased to be awarded the Helping Hands to Children Grant for our event. We appreciate the support for our event and used the grant to help promote Barneløpet and Sons of Norway.

This event was offered free to all participants and each received a Barneløpet medallion, bib and a participation bag. We had 84 participants this year, broken out into several age groups. Everyone had a great time.

All the children would like to thank the Foundation for helping to make the Barneløpet event so much fun. They will always have the bibs and medallions as reminders of Sons of Norway, nordic skiing and our presence in the community.”

“Little Norway came face to face with the real thing at the Sons of Norway Poulsbo Lodge. Children and adults got a lesson in traditional Norwegian dance from Leikarringen BUL Kongsberg, a group of folk dancers from Kongsberg, Norway. Members of the Poulsbo Lodge hosted the group while they put on a workshop and performed for the lodge. There are 125 children in dance groups at the Poulsbo Lodge and they all benefited from the exchange.”

“The highlight of Saturday evening activities for me was the Parade of Flags ushered into their place of honor for the evening by flag bearers in their beautiful bunads and sølje. A breath-taking moment as the flags of Canada, Norway, USA and Solglyt lodge arrived to the beat of their own national anthem. Our Junior Scandinavian Valhall dancers were a big hit on our Saturday evening program. The evening was topped off by the big band sounds of the EsoTones while dancing continued well into the night.

Thank you, Sons of Norway Foundation, for your generous grant to help defray the costs of our 2009 Winter Sports Weekend. We ended the event tired but happy for having had the opportunity, once again, to renew old friendships and make new ones within Sons of Norway.”

Jotunheimen Lodge 4-499

“We would like to thank the Sons of Norway Foundation for the grant that made our amazing float possible. Our Viking parade float was built from the plans based upon the Oseberg ship. We invested over a thousand man hours in building the long boat - mostly volunteer. The grant from the Sons of Norway Foundation paid for most of the basswood used for the hand carved shields. We had an amazing time during the parade and our float even took first place. Thank you!

Learning to Make Lefse

Dawson Creek Lodge 7-079

“Thank you for the Local Lodge Partnership Grant which helped make our lefse making day possible. We planned our lefse making day to be a total Norwegian emersion experience. We gathered old family recipes to share, which made for an interesting collection of recipes, directions and a bit of Norwegian history to pass on to the next generation. Between four or five hundred beautiful lefse rounds were produced and the smell of lefse filled the area. The sound of happy hands enjoying a little culture and reminiscing about times gone by. There was laughter and sharing of ideas for those new to lefse making as well as those who had years of experience.

Our lefse making day was a success! We had seventeen people who participated in the sight, sound, smell, taste and touch of the art of lefse making. We had a wonderful day and members and friends have requested we do this activity again in the fall and next spring as well. Again, thank you.”

The Stoughton Norwegian Dancers 2009 Spring Tour consisted of 15 performances in eight cities over six days in Southern California. All told, they performed for seven Sons of Norway lodges, four schools, two retirement centers, a teen center and the Rotary Club of Indio, California. Watching the dancers perform and seeing the audience's smiles where ever they go is truly an amazing thing to behold.

“On behalf of the 167 members of Norseman Lodge, I would like to express our sincere appreciation for a wonderful evening of entertainment provided by the Stoughton High School Norwegian Dancers. We had approximately 155 in attendance and everyone indicated that they felt so privileged to have been able to see and hear the students perform.”

The Hundredth Sangerfest
The Norsemen

Pacific Coast Norwegian Singers Association (PCNSA)

2009 was a very auspicious year, the PCNSA is celebrating its 100th Sangerfest and its 108th year as an organization. This is also a meaningful Sangerfest because we are also celebrating the 70th anniversary of the Norsemen. Over the years, Sangerfest has been hosted by the Norsemen seven times: 1959, 1967, 1976, 1983, 1993, 2001 and again in 2009.

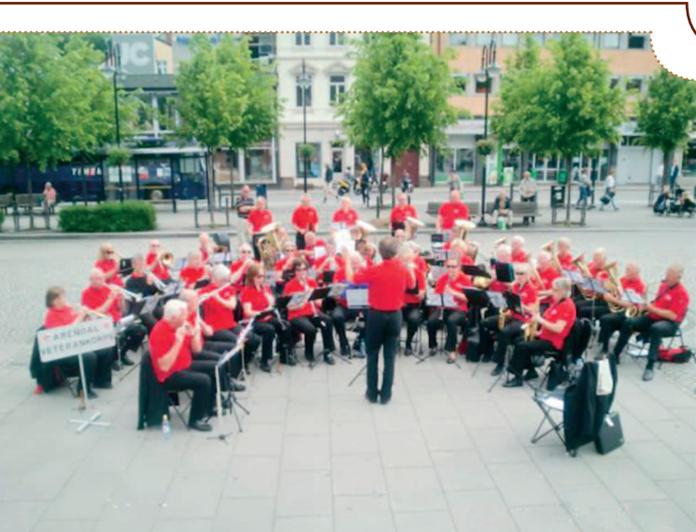

“We want the Sons of Norway Foundation to know how grateful we are for your support of the 100th Anniversary Sangerfest which was held the last weekend of June. It was successful beyond our wildest expectations. We probably had 500+ people in attendance and from all reports, all of our guests had a wonderful time. We worked hard to make it a good event and our efforts paid off.”

With your help we have developed a relationship that will hopefully lead to future exchanges of musical talent!”

“The first trip was to Jotunheimen National Park where I took a 6 hour trek up the mountain Bessegen. The landscape was absolutely breathtaking, mountains as far as the eye can see, remnants of ancient glaciers, wild blueberries, reindeer tracks, and glacial lakes of the bluest blue I have ever seen.

Total immersion is definately the best way to learn a language.

I can safely say that I am in the perfect school for me at the moment and have learned more about the world in the past 4 months than I have in the past 4 years of high school in the States, without homework or exams.”

“Learning Norwegian at St. Olaf has really made me feel more connected to my Norwegian roots. Not only do I get to learn a wonderful language, but I get to use it to communicate with my family and friends in Norway. I really can’t wait to go back to Norway and show them what I have learned.

I feel study abroad programs allow students to not only be able to learn about another language and culture, but also apply it to everyday life. This encouragement to study abroad is likely the reason why I plan to go to Norway next summer for research in biology.”

“I am a 20 year old vocalist from Norway, currently studying jazz at Agder Folk-High School in Søgne, Norway. Starting in August 2009, I will be studying Vocal Performance at Berklee College of Music in Boston, MA. My influences consist mostly of vocalists singing blues and soul music, genres that have many of their roots in the United States. My interest in the American language and culture, has driven me to study at Berklee. My goal is to not only become a great vocalist, but to create music inspired by both my American and Norwegian influences. I am honored and grateful to be the recipient of this scholarship.”

We Invite Your Financial Support

Because we are a foundation of \$3,400,000, in 2009 the Sons of Norway Foundation awarded \$104,433 for grants and scholarships. There were 82 grants equaling \$30,190 and \$74,243 in scholarships. However, we have qualified requests for over \$200,000 each year. How do we make this a reality?

Your charitable gifts will ensure that Sons of Norway remains strong into the future. Your children and grandchildren will be able to learn about their unique Norwegian heritage through scholarships. Your lodges will be able to bring in quality Norwegian programming with our grants.

Did you know it only takes a few added paragraphs in your estate plan to include the Sons of Norway Foundation? All of our named scholarships have come to us in this manner. Nina Draxten, Myrtle Beinhauer, Astrid Cates and Helen Tronvold all made provisions by giving a percentage of their estates to the Sons of Norway Foundation.

Other meaningful gifts include naming the Foundation as a beneficiary of a life insurance policy, including us in a Charitable Remainder Trust, appreciated stock donations and on-line donations. Speak with your tax advisor for ways you can make a gift to the Foundation and take advantage of tax deductions at the same time.

Please contact Cindy Olson, Foundation Director, at 1-800-945-8851, or foundation@sofn.com for details on how you can make a difference.
