## Your Path to Discovery

*Sons of Norway Foundation Annual Report*

Celebrating culture. Expanding horizons.

When we are born, each of us sets out on a grand adventure that I like to call “The Path to Discovery.” For each of us, this is a unique journey comprised of learning, life experiences and personal growth. All of which the Sons of Norway Foundation is proud to support.

**We support students on their Path to Discovery by providing scholarships that enable them to study abroad and learn about different cultures by immersing themselves in new experiences. This also supports the next step in their lives as they prepare to work in today’s global society.**

Another way we support members on their Path to Discovery is by helping them learn more about their heritage. The Foundation provides funding for many genealogy and heritage workshops annually through our grants to lodges. Every day members throughout Sons of Norway are learning the language and crafts of the past to help them define their identity today.

These are all very important steps in our members’ Path to Discovery, and the outcome is amazing. Thanks to the Scholarships and Grants provided by the Sons of Norway Foundation, our recipients are making advancements in the areas of technology, design, science, arts and culture.

With your continuing financial support, we can continue to make a positive impact on the paths of students and adults throughout the USA and Norway, making the world better and more vibrant. I invite you to review this annual report and learn of the many ways the Sons of Norway Foundation is playing a role in individuals’ Paths to Discovery.

Fraternally, *Cindy Olson*

# Celebrating Our Culture

Grants funding cultural exchange & community outreach.

## 11<sup>th</sup> Annual Nordic Heritage Festival

*Maihaugen Lodge #1-665 - Lawrence, Kansas*

“The Nordic Heritage Festival is a great way for us to share our passion for our heritage with others and promote cultural exchange. The grant provided by the Sons of Norway Foundation was used to expand our musical experiences by introducing the Hardanger Fiddle to the Lawrence community. Dr. Andrea

Een shared stories about Norway’s remote mountains and valleys and performed music on her beautiful folk violin.”

## Grindbygg Timber Framing

*Peter Henrikson Research in Voss, Norway*

“The Grindbygg framing course I attended in Voss, Norway was a huge success. The course was very ‘hands-on’. It gave me the knowledge needed to teach a course on this framing style to build a shelter to cover a historic fishing skiff at North House Folk School in Feb. of 2013”  
- Peter Henrikson

# Sonja Lodge Heritage Day

*Sonja Lodge #2-038 - Eugene, Oregon*

“Sonja Lodge held its first heritage day and welcomed many people from the community to share the foods, displays and demonstrations of Norwegian heritage and culture with us. This event has gone a long way to increasing the visibility of our lodge in the local community. Thank you for the grant, you helped make this possible.” - Patti Jo Meshnik

## Dalamaling Class with Donna Benson

*First Lutheran Folk School, Quad Cities, IL*

“Donna is a Vesterheim Gold Medal rosemalarer. We were very happy to be able to offer the first class of this type in the Quad Cities area. She presented a class project that involved all elements of Swedish folk painting, Dalamaling.” - Linda Shoesmith, Storelva Lodge

# Viking Boat Archeological Dig

*Jess McCullough, Inner Hebrides, Scotland*

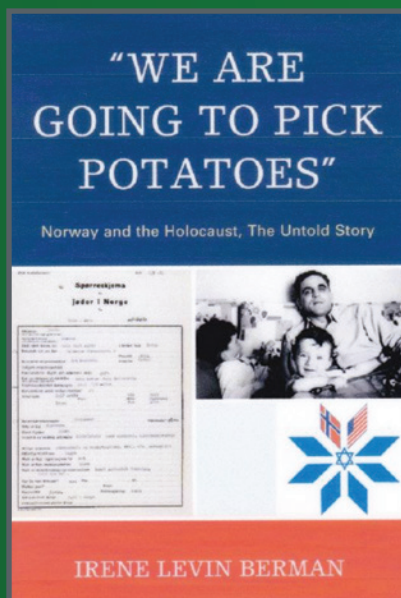

"I wish to thank the Sons of Norway Foundation heartily that allowed me to participate in Ardnamurchan Transitions Project Excavations in 2012. This project is the first mainland excavation of a Viking burial boat. This find has led the team to broaden the search for Viking/Norse occupation. Your Grant has allowed me to further my career goals and also contribute to our Viking heritage. Further excavations are planned for next summer which I will attend as staff rather than a student!"

- Jess McCullough

# Jews Escape from Nazi Occupied Norway

*Irene Berman lecture, Music City Vikings Lodge 5-681*

"Our event lecturer Irene Levin Berman was born and raised in Norway. As a young child in 1942 she escaped to Sweden to avoid annihilation. Seven members of her father's family were among the 771 victims who were unable to escape and were sent to Auschwitz. Her examination of being Norwegian and a Jew was very inspiring. Growing up Jewish in Norway when the Nazis invaded and losing family was unthinkable. It's a story that needs to be told to bring better understanding and more tolerance."

- Karen Sizemore, Lodge President

It's our hope that when you consider making a charitable gift this year, you will think of the **Sons of Norway Foundation** and all its efforts to make the world a **better place** in which to live.
