

Sons of Norway Foundation  
2014 Annual Report

# Discover

*Discover what's possible*

**Thanks to you 2014 was another incredible year for the Sons of Norway Foundation.**

Together we created many opportunities to share Norwegian heritage within our communities. Foundation grants continue to provide funding so that our lodges may bring timely presentations to our members.

Some of the 2013 topics included the WWII resistance movement in Norway, 100 years of immigrant history in Minnesota, showcasing contemporary Norwegian art, Syttende Mai and participation in Nordic Festivals across the USA.

Our youth are grateful to receive college scholarship funding from the Foundation. This financial help allows them to concentrate on their studies, to participate in unique study-abroad opportunities and give back to the Norwegian-American communities they came from upon graduation.

We offer this annual report to you, our donors and recipients, in thanks for your continued support.

Tusen takk,
