Sons of Norway, a financial services and international cultural organization headquartered in Minneapolis, began with shared values and a simple promise of financial security when like-minded people came together to protect their families, celebrate their culture and strengthen their community.

For more than 120 years, we've lived our mission to promote and preserve the heritage and culture of Norway, celebrate our relationships with other Nordic countries and provide quality insurance and financial products to our members. Now more than 52,000 members strong, we play an active role in communities throughout North America and Norway.
