### **Cornthwaite Scholarship Available!**

In loving memory of Sam Cornthwaite the

**Bjørnetann** scholarship is available to one camper each year who is involved in community service. The entrant must submit a written essay about their service and how it affected their life or outlook about community service. Nothing super involved just some type of community help given: working with a group or organization or something you have done on your own to make a difference. Essay should be sent to Beth Morton Camp Secretary by June 1st .(email listed inside, mailing address listed on the front cover).

This year we are meeting at a new location, Luccock Park Camp. Because of this change there will be other changes as well; we now have room and time to offer more to our campers, especially since some of our regular instructors won't have to cook.

We will also be learning more about Norway's Constitution Day, Syttende Mai, which is when Norway declared their Independence from other Scandinavian Countries; a New Beginning for them too.
