

Nancy Lorraine Jensen Memorial Scholarship

Our Mission

The Sons of Norway Foundation is dedicated to funding activities that preserve and promote Norwegian heritage, positively affect members, and make Sons of Norway communities a more vibrant place to live.

Overview

The Nancy Lorraine Jensen Memorial Scholarship Fund was established by Dr. and Mrs. Arthur S. Jensen in memory of their remarkable daughter. By age 35, when she died suddenly, Nancy had already distinguished herself as an outstanding chemical engineer whose work resulted in important advances within the field of weather satellite photography. It is the wish of Dr. and Mrs. Jensen to encourage young women to enter the field of science and engineering by offering scholarships in Nancy's memory.
