Andrea Herkert (VGM) will be teaching this class. This class will focus on the beautiful Hallingdal style, with its casual symmetry. Hallingdal is characterized by highly stylized, pattern-heavy elements, particularly the flowers. You will be using filbert brushes and also learning about the traditional use of round brushes to create the flowing lines and distinctive dark line work which are hallmarks of the Rosemaling from this area.

This will be an interesting, fun and informative class that will provide you with a firm foundation in the art of Rosemaling. For Sons of Norway Members this will provide you with the skills you will need to complete the activities required by Sons of Norway for the Rosemaling Cultural Skills Medal.

A supply list will be sent out on or before April 2th for this class.
