An evening watching “*The Stavig Letters*” movie at Mandt Lodge

317 South Page Street, Stoughton

Wednesday, February 9, 2022
7:00 PM

Mandt Lodge welcomes the public to join us for a free movie night as we watch *The Stavig Letters*. For more than fifty years, two brothers, one who homesteaded in Dakota Territory and one who remained a fisherman in Norway, exchanged hundreds of letters. *The Stavig Letters* tells the story of immigration through historic photos and videos from the fjords of Norway to the Dakota Prairie. This project was funded in part by a grant from the South Dakota Humanities Council and won a regional Emmy award. There is no charge for the movie and the public is welcome!

Mandt Lodge will also have the District 5 Viking Trunk on display at this meeting. The trunk has an array of items donated by lodges around District 5 and a short description of each item.

Please contact Darlene Arneson at arnesonfamily5@gmail.com or 608-873-7209 for more information. Mandt Lodge is handicapped accessible with a lift located on the south side of the building. There is parking on the street, public parking lot behind the Stoughton Senior Center, or in the Livsreise parking lot **if their building is closed**. We always encourage you to bring donations for the Stoughton Food Pantry! **The public is always welcome at Mandt Lodge!**
