

Our Mission

The Sons of Norway Foundation is dedicated to funding activities that preserve and promote Norwegian heritage, positively affect members, and make Sons of Norway communities a more vibrant place to live.

Grant Background

The Lodge Culture and Heritage Grant is funded through the Heritage and Culture Fund which was established in 1987. This fund was initially supported by Her Majesty Queen Sonja of Norway who lent her name to an early fund-raising effort. The Crown Princess Sonja pendant was issued in sterling silver and gold and was awarded to individuals or lodges who support this fund according to certain specifications. The number of grants awarded from this fund have increased through the years due to the continued support of our generous members and friends.
