Term insurance with Sons of Norway could help your clients get more life insurance coverage for their premium dollars than a permanent policy would. With several coverage periods available, you can place 10, 15, 20 or 30 years of coverage on your client. You might also consider pairing term insurance with a permanent policy to leverage the budget dollars while maximizing the coverage your client needs.

Now you can submit your Term business on the same platform as LegacySure and experience the same effortless application!

Our underwriting team will review your application and respond within 2 business days. If we need additional information or a medical examination we will reach out to you.
