

Orel & Marie Winjum Memorial Scholarship

Our Mission

The mission of the Sons of Norway Foundation is to celebrate Nordic culture and heritage through scholarships and grants to our members and communities.

Overview

The Orel and Marie Winjum Memorial Scholarship was created to assist with college tuition costs for American citizens of Norwegian and/or German heritage. This scholarship is given in honor of Orel and Marie Winjum by their children, all of whom earned a college degree—some early in life and some later. Marie finished her college degree after all their children were grown.

Orel and Marie Winjum believed that education is important. They also believed that those who gain the knowledge and critical thinking that a college education can bestow will find their lives truly enriched, and that they will enrich the lives of all with whom they come in contact.
